I'm not sure which number he called -- I haven't received a voicemail -- but can you follow up with Kirk?

Mr. McGrath,

I just left you a voicemail, I hope it finds you well. My name is Kirk Maltais, I am a reporter with American Metal Market, based in New York. I am working on an article regarding the EPA's recent proposal to add the Columbia Falls Aluminum Company Plant site to the National Priorities List, and was hoping to glean some additional background information as well as some tidbits on the record to add to our story. If you could give me a call back at some point today, that would be great. Thanks!

Best regards,

**Kirk Maltais**
